Dear Paul, Glad to get your 11/1 and Penn's newsletter. I'll read it when
bably go out and dig out the inlet to the pond a little more. I'm making
the exercise is good. I'm pulling the wet dirt to fill up low spots so I
while riding next summer. No, I'm not overdoing it... I don t recall the
your Pacifica people did call me up, did tape a long interview - more tha
and did say it would be aired soon...I don't recall what carbons I've bee
Mailed a fat envelope this a.m. We are going to seek to use a provision o
obtain a waiver of all costs in the King case. We'll still have considera
do succeed on that, like the depositions in the spectro case If theFBI ke
eventually get ever paper it has on ing. Tell Wexler if you can. They w
much as they can but Jim and I expect an Order from the judge this week g
amount of time, less that their 44 weeks four of which have passed We spe
planning what we'll do in the contingenices we can anticipate. This at th
fantastic archive... I'll be in Wisconsion most of next week for sypeeche
Wek have the beginning of winter. Few snow flurries this a.m. It got cold
some plants I overlooked the 10 days Lil was visting my mother. They were
in porch but it was that cold.Keeping up with the mail is about all I can
is necessary for the litigation and going over the records I get. They ar
me. I've been waiting for them to tumble to this. It keeps me from writing

We are okay. hope you
